

Country Delegation Nepal, Red Cross Marg, Tahachal, Kathmandu. Phone: 5385843, 5386100

VACANCY ANNOUNCEMENT

The International Federation of Red Cross and Red Crescent Societies (IFRC) is the world's largest humanitarian organization providing assistance without discrimination as to nationality, race, religious belief, class or political opinion. The office's role is to support the Nepal Red Cross Society (NRCS) in delivering humanitarian services to the most vulnerable. More information on the organization and its activities can be obtained from the following website: www.ifrc.org

Position: Senior Programme Officer (Disaster Risk Reduction) for IFRC- American Red Cross

Qualification : Master's degree in a relevant field

Experience : Minimum 5-7 years of experience in project management. Should have demonstrated experience in project formulation, planning, monitoring, and narrative reporting using community-based and participatory approaches.

Responsibilities: Sr. Programme Officer (DRR) will technically support the Country Manager and NRCS in planning, implementation, monitoring, lesson learnt documentation and reporting as per project documents; log frame; budget, implementation plans; NRCS, IFRC and American Red Cross policies; national guidelines and donor requirements ensuring the quality of outcomes. The position will be responsible for the coordination of projects' field activities and engagements with NRCS to facilitate the planning and implementation of project activities as per the programme expectation outlined in project agreement and Strategic Partnership Plan (SPP) ultimately contributing to IFRC goals.

Position: Planning, Monitoring, Evaluation, Accountability, and Learning (PMEAL) Officer for IFRC- American Red Cross

Qualification : Bachelor's degree (Master's degree preferred) in operations research, quantitative analysis or other relevant fields.

Experience : Minimum 3-5 years of experience in program design and assessment; at least three years working directly in M&E role required; along with a thorough familiarity with the principles and current approaches to monitoring and evaluation using both quantitative and qualitative methods.

Responsibilities: The PMEAL Officer is responsible for strengthening monitoring, evaluation and learning systems of the existing and new NRCS' projects supported by the American Red Cross. The PMEAL officer will support the NRCS in building robust M&E systems, implementing the NRCS M&E system and strengthening their capacity in planning, monitoring, data readiness, information management and reporting.

Interested applicants should submit their CV accompanied by a cover letter demonstrating how their experience is relevant to the specific technical requirements and details of the job duties and responsibilities mentioned in the job description no later than 11th April 2023. Detailed job responsibilities for the position can be obtained from the following website:

<http://www.jobsnepal.com/employer/international-federation-of-red-cross-and-red-crescent-societies-ifrc/8923>

The Federation is an equal opportunity employer and women are highly encouraged to apply.

The IFRC reserves the right to decide on the candidates and only shortlisted candidates will be contacted for the selection process.
