

## Background

Plan International is a girls' rights organization that partners with adolescents and children around the world to overcome oppression and gender inequality, providing the support and resources that are unique to their needs and the needs of their communities. Working in more than 75 countries across Africa, Asia and the Americas, Plan's holistic, rights-based approach ensures that our project participants achieve their full potential with dignity, opportunity and safety. Our projects are designed in partnership with communities and strategically address systemic issues that often transcend sectors. With extensive local networks and community reach, Plan drives positive change through broad community participation, achieving sustainable results by actively engaging and providing services to individuals, families, communities and governments. Plan International has been working in Nepal since 1978.

Plan International Nepal invites the applications from **female candidates** only with priority from minority and youth groups for the following positions:

### 1. Project Manager-ProTecT

Fixed Term Employment until 31<sup>st</sup> December 2023 based in Country Office, Lalitpur

The overall goal of the ProTEcT Project is to educate, empower and equip adolescent girls and young women, families, communities, protective actors and local government with knowledge, capacity and resources to help protect vulnerable populations, prevent trafficking, respond to risks and in contributing developing a system for repatriation of survivors across India, Bangladesh and Nepal.

The Project Manager will provide leadership in the coordination, delivery, monitoring and reporting of the of the ProTEcT Project in line with the approved project proposal, Detailed project implementation plan (DIP) and funding agreement document (FAD) following the gender transformative approaches as outlined in Plan Nepal Country Strategy. S/he is responsible for high quality and timely delivery of the project according to the objectives and approaches described in the project proposal and contract documents and to the satisfaction of the project stakeholders.
