

Background

Plan International is a girls' rights organization that partners with adolescents and children around the world to overcome oppression and gender inequality, providing the support and resources that are unique to their needs and the needs of their communities. Working in more than 75 countries across Africa, Asia and the Americas, Plan's holistic, rights-based approach ensures that our project participants achieve their full potential with dignity, opportunity and safety. Our projects are designed in partnership with communities and strategically address systemic issues that often transcend sectors. With extensive local networks and community reach, Plan drives positive change through broad community participation, achieving sustainable results by actively engaging and providing services to individuals, families, communities and governments. Plan International has been working in Nepal since 1978.

Plan International Nepal invites the applications from all candidates with priority from females, minority and youth groups for the following positions:
